

LONG-HAUL, IRREGULAR ROUTES, FROM ANYWHERE TO EVERYWHERE, WE'LL GET IT THERE.

Schneider delivers more loads, serves more markets and owns more long-haul, over-the-road experience than anyone. While other providers are downsizing their fleets, we've continued to support our customers with a strong, stable long-haul network. For a long-haul shipper you can depend on to deliver on time and safely, no one gives you more options or more tools, or goes farther than Schneider.

ONE OF THE LARGEST, MOST TRUSTED CARRIERS IN NORTH AMERICA.

Schneider's vast nationwide network of trucks and trailers, drivers, and operating centers ensures we can move whatever freight you have on hand safely and reliably—time and again.

Schneider just gives you more:

- **More tools to get the job done**
Schneider has nearly 13,000 drivers and more than 33,000 trailers at the ready, and lets you own full visibility of your freight. Our track and trace technology monitors load progress; in-cab technology delivers constant updates.
- **More assertive cost management for more high-value service**
Count on multiple solutions to capitalize on efficiencies and optimize your supply chain so you get the most for your transportation dollar.
- **More effective customer service**
You'll enjoy the attention of one team with industry-specific expertise and a dedicated focus on your transportation needs. To assure we keep performing up to your high expectations, we track key indicators constantly and share those metrics with you regularly.
- **More reliable and safer drivers than anyone**
Our unyielding focus on driver safety means your shipments are on time and intact. Your freight rides behind the most experienced, best-trained driver force in the industry, with the highest safety and security ratings of any national carrier.
- **More miles per gallon**
We've earned the EPA's SmartWay Award of Excellence every year since its inception by reducing emissions and maximizing fuel efficiency. Beyond being environmentally responsible, our approach saves you money at every turn.

Big or small, you can always count on Schneider to get your freight anywhere in North America safely and on time. Put us to the test.
